Here they are, Friends, the graduating class of 1948, the product of 191 years of training at the Presbyterian Orphans' Home. Seventeen of them were raised at Barium and two are from our neighboring city of Troutman.

The mascots are, in a way, products of Barium. The little girl, Celia Donaldson, is the daughter of Lafayette Donaldson who graduated at Barium and lives near us. The little boy is James Howard Cole, a kind of double grandchild of Barium as both his father and mother were raised here - Ed Cole and Sallie Farmer.

Charles Barrett is the senior member of the class in point of years at Barium. He entered in '32.

We would like to write a brief article about each one of these children of ours who are now young men and women, but on account of lack of space (continued on page two)

we will have to confine ourselves to the dates on which they entered Barium and the places from which they came. We would like to tell you about their achievements in music, in athletics, and in just plain citizenship. We would like to tell you something about their hopes and plans for the future. One of the boys and four of the girls are headed for college.

If you find one of these young men or women as your neighbor, you will find them good neighbors. We highly commend them to your affection.

News From Some of the Cottages at Barium

ANNIE LOUISE

We are back with the cottage news from our cottage.

Spring is finally here, and we are very happy to see all the leaves and flowers again after a long winter of cold and snow. It is almost time for planting gardens again. We will have some pretty flowers for our house before long.

The little Synod boys took the girls that made the honor roll last time to the show at night. It was an experience we shall never forget.

The thing we had been looking forward to a long time has finally come and gone. Easter was cold up here but still we had a good time. All of us little girls got to wear a new dress.

Our friends in Mooresville sent us a big basket full of eggs and candy. We decorated the kindergarten and had a cute party. We hunted eggs after the girls hid them. Thanks for giving us such a nice Easter.

Saturday our matron and big sisters took us to the spring for supper. Playing games surely gave us an appetite. We ate supper, played some more then came home. When we got home there was ice-cream waiting for us. It surely tasted good after walking from the spring.

We have gotten report cards and 14 of our little girls made the honor roll. That was good but we could do better. We get report cards one more time then school will be out. We just can't wait to go in swimming.

That is all for now but we will be back next month same time, same place. Until then.

— The Annie Louise Girls

RUMPLE HALL

Only a few weeks ago our rooms and hall had a new coat of paint. We are very proud of them. The rooms are blue and pink. We mean they alternate in blue, the next pink. Some women from Wilmington Presbytery sent us our curtains, they are pretty.

One day some women from this Presbytery visited us and they thought our house real pretty. They really liked our playroom.

We had two basketball tournaments here. The Barium Varsity girls won the conference. We are really proud of our trophies.

April 6th we had our ensemble piano recital. Three of our girls played in it. They were real good and we were proud of them.

Presbytery meets here next Tuesday. We are looking forward to that day when they eat with us in the dining room. As we are the dining room girls we will serve their tables.

All for now, good-bye folks.

— The Bass Sisters
Retha and Hazel

HOWARD COTTAGE

This month we had 14 girls on the honor roll. Elizabeth Ann Huddleston came up on it and made the 14th one.

We went to see a real good movie named "The Three Daring Daughters." We think it is one of the best movie we have ever seen.

At school the grades have been giving chapel programs. They all are very good.

We have started our spring cleaning and all of our windows are nice and clean now.

David Lee Spencer has been spending a week or two with us because he has a new baby brother at his house. We enjoy playing with him.

Miss Brandon, the fifth grade school teacher took her class and her Sunday School class down to Barium Camp. They had supper down there and went on a walk. They all had a good time.

Shirley Byrd got the nicest gift from some of her friends in New Bern for Easter. You should see her prissing around in her bedroom slippers. Shirley Plyler got a nice gift from a circle in Huntersville for Easter.

Some of our girls have got the nicest clothing boxes this year that they have ever received before.

— Louise Bradshaw

SYNOD'S COTTAGE

Again we come with the Synod's Boys news. Please listen at the same place on your dial.

Our boys who were diligent enough to make the honor roll entertained the honor roll girls from Annie Louise Cottage with a theater party and we had a lovely time riding to town in the bus.

We had three children to participate in Miss Ritchie's pupils piano recital. Louise Campbell and Shirley Inman, our big sisters, and Lawton Rice, one of us, and we were very proud of them.

Mr. Ervin is about the best loved man on the campus at Synod's at this broadcast. Why? Our clothes room is all white and it is a pleasure to go in there. Our coat room is ivory and our play room ivory with mahogany trim. We are very careful to keep all the little fingers off and all are co-operating in keeping it pretty. We varnished the floors and have new curtains at the windows so we shout: Thank you, Mr. Ervin.

Our new azalea plants are in bloom. Of course, you will have to look close to find them but they, like the Wigglers, will grow. Our pansy bed is a sight to behold it is so very pretty. We planted the seed and have raised our own plants. We have some new varieties of larkspur planted and will transplant them. Memory Thompson and Charles Ward are young farmers and they wield a wicked grubbing hoe. We think our Madonna lilies will soon be in bloom. We are going to build a trellis to cover the base of our fire escape slide and have planted clematis for our vine. The wisteria over our porch was so very pretty. While Mrs. Bowling and the garden crew: Boyce Dean Smith, Johnny Collins, Jerry Ellis, James Woodall, Bobbie Rae Bailey, George Cannon and Jerry Thomas were working in our beds the smaller boys headed by Nat Craig cleaned the gutters.

Cecil Burleson is making some beds in the back yard and he hauled some rock to edge it with.

Bobby Synod (our dog) became hot running and playing base ball so started scratching in the flower bed with our rare larkspur. Poor Bobby. We had to spank him.

Well folks, this is enough of the green thumbs of our family. Let us hear of the sports. Marbles are still being played, but baseball is our favorite. Mrs. Bowling was "batter up" and broke our bat, and not even a home run out of it. Now we don't let her play, because we have a new bat and ball.

Louise and Shirley are our team captains and of course Mrs. Bowling is the umpire.

Signing off and we are all looking forward to a visit to Charlotte to the home of our beloved friends, Dr. and Mrs. Nisbit.

So goodnights and Happy Days.

— The Wigglers

BABY COTTAGE

We have had so much fun fixing our garden. Mrs. Nelson and our big sisters have fixed a big flower garden and I bet it will be pretty.

We have 12 girls now and only 7 boys. When school is out 6 boys and 5 girls will leave us and go to another cottage. They start school in the fall.

We are all losing our teeth and we don't mind it too much when the fairy comes.

— The Babies

LEES COTTAGE

Baseball season has finally come around and we certainly do enjoy watching the larger boys play, besides playing it ourselves.

Since the last time that we wrote to you we have gone down to our spring and cleaned up down there. We surely do wish you could come and see it. We are really proud of ourselves.

Well, it won't be long until school is out now and we will be looking forward to our vacations and our week down at our camp on the river.

Look for us next month when we will be back with more news.

— Billy Burke

WOMANS BUILDING

Greetings Friends,

We are just bubbling over with news this time. The Beta Club Convention at Raleigh, the trip to Covington, Virginia, the Beta Carnival, the Ensemble Piano Recital, the Basketball Banquet, the trip made by the Seniors to Charlotte, the Senior Dance and other things have kept us scurring hither and thither.

We'll dwell on one at a time taken in order.

First the Beta Club Convention at Raleigh was attended by three of our lucky girls: Mildred Monroe, Betty Joe Smith and Betty Coffey. Not only did they attend the Beta meetings and dance, but they even shook hands with his honor, Greg Cherry. Lucky Guy.

Now prepare yourself to journey with us, the Glee Club, to Covington, Virginia. We made this sight-seeing tour to Miss Hickman's home town to sing at her church. The kitchen girls packed a lunch for us and we stopped and enjoyed a very delectible picnic. April 3 & 4, 1948 was a beautiful week-end and the mountains were just about at their best. We rode with our mouths open as wide as our eves. We "sensed" that we were rapidly approaching our destination as we reached Clifton Forge. Since words are many and space is short we'll have to conclude this paragraph by thanking our charming hosts and hostesses for the nice meals, pretty homes and Virginia country which we'll never forget.

The Beta Carnival itself would take up a nice column. It was held at our high school April 1st. We had a spook house, a horrow house, and several games, but everyone seem to enjoy the stage show and square dance immensely. This was presented to raise funds for our Beta Club so they could contribute to the various Beta projects.

Next, the Ensemble Piano Recital. This is another thing you would have to see and hear rather than read to really enjoy. Miss Margaret Richie has done a wonderful work with her piano pupils, and you'll just have to take our word for it, that it was certainly nice.

If you come to Barium and see some of our girls "sporting" around in lovely white basketball sweaters, you'll be wise to the fact that they are the one's who worked so hard to win the South Piedmont Conference. They're just the thing for the versatile spring weather we are having now, eh girls?

Mrs. Bryant, our very ambitious house mother, took the Senior class to see our great industrial Charlotte. The members of the class enjoyed it throughly. More "oh's" and "ah's, you have not heard in a long time.

Come to see us. The campus is beautiful at this time of the year.

— Betty and Peggy Coffey

Basketball Banquet Enjoyed at Barium

Our basketball banquet was held here on the night of April 2nd. Mr. Hethcox was the toastmaster and he was in rare form. We believe that the thing that inspired Mr. Hethcox to do such a grand job as toastmaster was the fact that he was leaving early the next morning for a trip to Virginia and any hangovers or explanations that might have been needed for his remarks could be put off until he returned on Monday, so this gave him a little more leeway and he made full use of it. It altogether made the banquet a very enjoyable affair.

The meal was served by the regular Rumple Hall organization. The regular kitchen crew prepared it and the dining room crew served it, and it was just plain good eating served in a most attractive style.

We did not have as many guests as we usually have. We find that so many people are busy at this time of the year that we did not issue as many invitations as we have formerly done. Of course, there were a number of Barium alumni present with their wives or husbands, as the case might be, and in addition Mr. Jack Loftin and Mr. Jack Massey from Troutman. They were honored in having done such an excellent job with the Troutman teams. Mr. and Mrs. Floyd Morrow were invited and were present. They were rated the most faithful attendants at the tournaments held at Barium. All of the officials who worked in our tournament or during the season were invited but none of these were able to come. Maybe they felt that they would be embarrassed if they had to take their whistles out of their mouths and they would certainly have had to lay them aside on Friday night.

One of the senior basketball players was asked to give out the letters to the Junior girls, Lucille Stricklin getting this honor. Charles Barrett, the one senior on the boys' squad, gave the letters to the Junior Boys. Mr. Archie Calhoun gave the letters to the Varsity girls and J. B. Johnston gave them to the Varsity boys. Trophies won during the season were presented. One of the minor trophies of the Junior Tournament was given to the boys, the championship trophy was given to the Junior girls, and the big South Piedmont championship trophy was given to the Varsity girls. Announcement was made of the gift of a trophy cabinet by the graduating class of 1947 and an alumnus of a former year.

As the final event of the evening, and one coming as a surprise to the varsity girls, was the presentation of white sweaters as a special gift for their having won the Piedmont championship.

The girl elected captain for the season was Janie Hall, a senior; Lucille Stricklin was voted the most valuable player on the girls' team.

The boy elected captain for the season was Charles Barrett, and Jack Mangum was voted the most valuable player.

About 175 people were present at the banquet.
